

MASTERS®

METALLIC COMPOUND™

Canada's largest selling "pipe dope" for over half a century

MASTERS® METALLIC COMPOUND™ is a heavy duty pipe thread sealant of proven quality for use on both metal and plastic threaded connections. This all-weather product:

- 1) Lubricates during assembly.
- 2) Never sets up hard.
- 3) Can be easily disassembled even after years of service.

MASTERS® METALLIC COMPOUND™:

- Is non-corrosive and prevents galling and seizing.
- Will not dry out or harden in the container.
- Effectively seals most liquids and gases against leakage up to 6,000 psi and 550°F (287°C).

NOT FOR USE ON Oxygen or Glycol Systems. We recommend MASTERS® ORANGE T-TAPE.

Listed by Underwriter's Laboratories of Canada and the U.S.
