COMMERCIAL

Features

Scatterguard™ Squeegee

The squeegee allows scatter-free cleaning on all surfaces – including carpet, wood, laminate, and tile – without manual changes to heights or settings

Lightweight

Weighs less than 9 lbs, making it easy to carry or use throughout the day

Intellibelt™

Advanced circuitry protects long lasting belt by shutting the motor off to avoid belt breakage

High-Capacity Bags

Get more suction power with the 630 cubic inch top fill inner bag and avoid having to replace as often

Warranty

One-year commercial warranty
