Ergonomic Harness

HEPA Filtration with Hexaguard™ Technology

Features

HOOVER® Commercial 40V Cordless System

All new HOOVER® Commercial cleaning products are powered by the same 40V battery.

25% Lighter Weight*

Designed for more mobility, and to be used by more people on your staff.

Ergonomic Harness

Helps reduce fatigue over extended hours for quicker more efficient cleaning.

Quick Pass Cleaning

Ideal combination of power and performance helps users clean more efficiently.

HEPA Filtration with Hexaguard™ Technology

Hexaguard™ Technology with activated carbon absorbs odor producing molecules improving air freshness.
